

# Montessori School of Johns Island

## Student of the Week!

We're going to start recognizing one student per week for the wonderful things that they say and do! Please tell your kids about it so that they can get excited too!

## Kaiya Wendland

This week when everyone's been off, Kaiya has been helping Ms. Mandy with various chores around the school.

One of the tenets of a Montessori education is fostering a respect for the world and learning to take responsibility for the environment in which we live. Kaiya has been helping to better the environment of the of our school, and for that, she is a **MONTESSORI SUPERKID!**

## Upcoming Events!

We're working on the dates for summer camp days! Let us know if you have an interest in helping with one of the camps!

## Sign Up!

### The Johns Island Farmer's Market -

This is really fun. Lot's of stuff to see! Food trucks! There's even a bouncy house for the kids to wear themselves out!

## Going somewhere fun this summer?

Bring Us a Post Card or Picture! Your children love to talk about their adventures, and we'll love to put your pictures up at the school!
