

Montessori School of Johns Island

Student of the Week!

We're recognizing one student per week for the wonderful things that they say and do! Please tell your kids about it so that they can get excited too!

Rosalie Carpenter

One thing that's special about Montessori schools is how they facilitate kindness and a sense of community. Not only taking care of our environment, we teach our children to take care of each other. This is a surely a lesson for life!

Rosalie is especially mindful to the needs of our littlest students. She is talented in guiding them and comforts when she can. She's helping all our students learn about community, and for that, she is a Montessori Superkid!

Upcoming Events!

Our Schedule is still tentative, and if you have a hankering to help, please let us know! It looks like July is going to be "Camp Month"!

June 29- July1- Science Camp

July 2nd - Cookie Decorating Day!

July 3 - No School

July 6-10 - Soccer Camp

Dance Camp - still a work in progress
(ideas are welcome!)

likely July 13- 17

July 20-23 - Art Camp

Sign Up!

The Johns Island Farmer's Market

This is really fun. Lot's of stuff to see!
Food trucks! There's even a bouncy house
for the kids to wear themselves out!

Don't Forget!

Fridays are Junior Master Gardener Day!
Please wear your school shirt!

*We cannot create
observers by saving
'observe', but by giving
children the power and
the means for this
observation. These
means are procured
through education of
the senses.*

-Maria Montessori

July 23 - Tye-Dye Day

July 27-29 - Cooking Camp
