

This past weeks happenings:

We've been privileged this week to have the company of two talented and patient soccer coaches, Coach Gabi and Coach Lexi! They've been teaching soccer to our kids every morning! The little ones have even been getting into it, and the toddlers have been mostly rolling the ball, but sometimes kicking too!

The last day for our Coaches is tomorrow. If you get a chance, come say, "Thank you!" Tomorrow, they'll be celebrating with the kids, eating pizza for lunch! Our kids have certainly enjoyed having them at the school!

Don't forget that tomorrow is **School Shirt Day!**

Next weeks happenings:

Cooking Camp and Ballet Camp are next week! Cooking Camp will be Monday and Tuesday, and Ballet is Wednesday through Friday.

For **Cooking Camp**, we're probably going to make granola and ice cream. If you have one, the kids can bring aprons to wear. There will be an additional Cooking Camp day later in the month! We'll keep you informed.

For **Ballet Camp**, if you have, them, girls can wear leotards and ballet shoes. Boys can wear anything comfortable, traditionally black sweatpants. Again, ballet shoes are completely optional, we'll probably be mostly dancing in bear feet.

As always, **let us know if you have any concerns**. We're going to be careful. This is a great opportunity for our kids to learn grace and gross motor skills. We're going to have lots of fun!

Student of the Week!

We're recognizing one student per week for the wonderful things that they say and do! Please tell your kids about it so they can get excited too!

Lana Turkall

With a heavy heart, we will be saying goodbye to Lana. She and her family are moving from Charleston. Miss Lana has been a special addition to our school. She is especially kind to her fellow students and listens well. We wish Lana the very best; she will be missed!

Maria Montessori always valued the ability of children to concentrate. This is frequently overlooked by school systems today, but in a Montessori classroom, concentration is fostered by uninterrupted time to learn. Lana has concentrated well on learning new skills at Soccer camp. She has shown great concentration and motivation for one so young, and for that, she is a Montessori Superkid!
